CBM 64 CATALOGUE UPDATE 2.

Disk No.	Disk Name.	Disk Contents.
BZD081	*Antifriction.*	This is an excellent multipart demo from Future Technologics. It is well programmed with superb graphics and music as well as a full game for the last part! Great stuff! Disk also includes the 'London Demo' from the Masters Design Group and a brilliant music demo.
BZD082	*Classic Mix 5.*	Features: 'Typical' from Beyond Force (Some wicked parts!), the excellent 'Bonzieed' demo which is based on the famous 'COMA' demo on the Amiga, a 'Plot' demo from Level 11 and the excellent 'Smooth Criminal' demo from Ash & Dave which features Maniacs Of Noise music!
BZD083	*Showcase Bonanza.*	This is a very polished whole-disk release from Miracle featuring a great 'Raster' part and a wicked bit of logo manipulation as well as plenty of great music and other smart effects!
BZD084	*Lethal Display 3.*	An excellent release from Bonzai filling a whole disk-side. There's a stunningly hi-res interlaced 'FLI' pic (Juno), a 3D ball made up from dots and much more! Classic stuff!
BZD085	*Music Invasion 1.*	Here we have an entire disk-side of superb tunes all ripped by Trans X. The disk is well presented and features over 30 tunes including a host of classic demo tunes.
BZD086	*Music Invasion 2.*	More ace music here with a TAT demo featuring superb samples as well as a mindblowing 'Filled' 3D spinning logo. Disk also features 13 wicked tunes ripped by Betrayer of Xentrix.
BZD087	*Nasty (Paragon).*	This colourful Paragon Megademo features lots of great parts including a wicked bit of raster wobbling and a great spinning logo amongst other things. A very good release!
BZD088	*Heineken 1.*	This is the follow-up to 'Budweiser 2' (BZD066). It features a massive 'Border Scroll', a smart 'Star Wars Scroller' part + much more! Disk includes 7 great tunes produced by Tristar.
BZD089	*Multipart Mania 4.*	Three great multipart demos all crammed onto only one disk-side! They are: 'Xenophobia' (Xentrix), 'Fanatix' (ATG) and 'Unity' (Stash). A great selection.
BZD090	*Supreme Quality 6.*	This smart disk contains a SUPERB demo from Triad. It features some of the very smoothest solid 3D i've ever seen on a C64, some great samples and wicked graphics! Disk also includes 'Total Recall' from Xentrix, nothing to do with the great film but still a good multipart demo!
BZD091	*Batmania!*	This is the great 'Prequel' to 'Batmania 2' (Never!) and it features loads of great parts dedicated to the 'Caped Crusader' with a part that features an excellent 'Bat-Dance' sample! Disk also includes an 'Iron Maiden' demo which uses samples in the music.
BZD092	*Dark Times.*	Another Megademo! This one comes from Horizon and contains a nice calculated 3D logo plus some other great logo manipulations as well as lots of other polished parts.
BZD093★	*Galastic Panache.*	This rather strangely named disk contains the excellent 'Just 4 Parts from Cosmos Designs, 'Kickin' Back' by Style, 'Flabbergasted!' by TSD and 'Nuclear Warhead' by Defcon One.
BZD094★	*The 4th Dimension.*	What can I say about this release from The Voice apart from WOW! It's great! Many of the parts feature effects only seen on the Amiga like 'Unlimited Bobs', the 'DMOB' music-disk picture (nice girly, big gun!), lots of filled 3D graphics and much more! Great entertainment!
BZD095	*Wild At Heart.*	Yet another ORIGINAL and brilliant demo from Panoramic Designs (Creators of the superb 'Digital Delight' on BZD069). Disk also inlcudes a graphically excellent Genesis Project demo.
BZD096	*Public Relations.*	Here we have a cool Megademo release from Oracle which features both a 'Tech-Tech' and 'DYCP' in the border, a great plotter and heaps more! This demo takes up an entire disk-side!
BZD097	*Jukebox V.2.*	Yet another treat for C64 music fans with this massive collection of tunes compiled by 'Time'.
BZD098	*Nortrax Megademo.*	This demo was produced by both Nortrax and The Pirates of Nowray and features the usual effects and scrollers, a near tune with samples and a tune from Batman (The Movie) game.
BZD099	*The New Style.*	Here is Demotions contribution to the demo scene and it features a smart twisting vertical scroller, a nice 'Plot' part, more amazing 'Unlimited Bobs' and a stunning stretchy scroller!
BZD100	*'Torture' (Padua).*	Brilliant! That describes this extremely well coded demo. It does far too many mindblowing things to mention here. Please note: This demo unfortunately contains some harsh language.
BZD101	*1 Year In Wonderland.*	Censor Design are back and bring you this mini-compilation of their best demo parts over the past year. Great stuff for all you Censor fans out there!
BZD102	*For Your Eyes Only.*	Another Censor demo! This features superb samples in the opening part and some simply excellent 'Iron Maiden' artwork. Disk also includes 'Digital Excess' (Another great 'COMA' style demo) and 'Sensorial' which is a polished release from Sense.
BZD103	*'Mist 2' (Vision).*	A great follow-up to a great original demo (BZD063). This demo features many excellent parts and an effect which I thought i'd never see on a CBM 64 - PLASMA!
BZD104	*Triad Demo Disk.*	This disk features a great multipart demo (Pravda), a brilliant and very popular sample-packed demo (Red October) and a superb graphic demo (The Sarge Show).
BZD105	*Megaparts 1 & 2.*	Genesis Project present a compilation of their best demos coded by S.E.S and I must say they really are excellent! Note: This demo unfortunately does not work on the '1541-II' disk-drive.

CBM 64 CATALOGUE UPDATE 3.

Disk No.	Disk Name.	Disk Contents.
BZD106	*Heating (Topaz).*	This is the first demo i've seen from this group and it's not bad! Each part is polished and features some clever effects. Disk also includes the brill 'Dual Cassette 2' by Ash & Dave.
BZD107	*Brutal 3 (Light).*	Here it is! The technically STUNNING competition winning follow-up to the classic 'Brutal 2' (BZD046). This demo contains some extremely fast 'Vector Graphics', some truly superb colour effects (128 colours!) and a brilliant 'Real-Time Zoomscroll' (in the border!).
BZD108	*'Boozed' (Pirates).*	This is more like it! The 'Pirates' of Norway show what they can really do with this great release featuring cool graphics from 'Coroner' and some good samples. Worth a look!
BZD109★	*The 'Cosmail' Demo.*	What do you get if you cross two superb demo groups (Cosmos and Blackmail)? An amazing co-op demo of course! This demo features some excellent graphics and sprite handling as well as a host of other wicked effects! Disk also features several other neat demos!
BZD110	*Kalle Kloakk (MSI).*	Here's a smart release from Megastyle with a 'Cycleburning' intro (Splendid samples!) and loads of other excellent effects! Disk also includes a really smart music pack.
BZD111	*Debut (Xentrix).*	Here's the first demo release from 'MAD' of Xentrix and it's great! Very polished with some excellent music! Disk also includes 'Tour De Force' by Origo (Brilliant!) and a very innovative and well coded music demo called 'Moonscape' by Cross. Recommended.
BZD112★	*Kanon Korven.*	This is a HUGE release spread over two disk-sides sporting lots of cool effects and good music. Disk also includes a cool demo by Black & White and the 'Xentrix in 1991' demo.
BZD113	*'Wiz up and urp'.*	Is this a graphic show? Is this a demo? no, it's both! And it's EXCELLENT! This disk is superbly presented and the graphics are very high quality indeed. Recommended.
BZD114	*Spritemania!*	Here's a great release by 'S.E.S' of Genesis Project with a demo containing 290 sprites onscreen (!!!), a brilliant hi-res anim made totally out of sprites and a smart 'Stretcher'. Disk also included 'Tatooine' from Alive and this demo contains a stunning 3D face!
BZD115	*Trust Your Eyes.*	This is another brilliant co-op demo, this time by the mighty Crest and Genesis Project. Disk also includes a music demo produced by Dominators which contains all the superb music from the cartridge epic 'Shadow Of The Beast'!
BZD116	*Prime Time.*	Here is the Megademo from Spherical Designs which is rather great and a demo from Antic called 'Ethic' which features some well cool effects! Why not give them a try?!
BZD117	*Golden Oldies 2.*	Yes! It's finally here! The follow-up to the classic BZD025 (Golden Oldies). This disk contains 'Circlesque', 'The Juggler' by Ratt, 'DNA' (Yak), the 'Chicken Song' + much more!
BZD118	*Style Designs.*	This is a very polished demo with some excellent graphics and effects. The only drawback is most of the scrolltext is in Norwegian! Still very good though! Disk also includes 'Art of IQ' from Zone 45 which features smart raster effects amongst other things.
BZD119	*Heineken 2.*	Yet another follow-up, this time to the Megademo on 'BZD088'. I think this is the best demo in their series so far with some excellent coding, graphics and music. The demo starts with some nice 'Spinning Skulls'! Don't miss this!
BZD120	*'No Wonder'...*	Here's a demo from the group 'Lower Level'. The intro is very well coded with flawless raster effects and the rest of the demo is great too! Disk also included a brilliant X-Ample demo called 'Breeze of Diogenes' and there's also a music demo by the Maniacs Of Noise.
BZD121★	*Multipart Mania 5.*	Two disk-sides of multipart demos basically means LOADS of demo parts! The demos are 'Lunacy 2' by Antic (Excellent first part), the Darkstar Megademo, a multipart demo by Cult called 'On Tour' and a neat Cosmos Designs demo called 'On Fire'.
BZD122	*Digi Music 3.*	This 'sample-packed' disk contains the brilliant 'Amiga Works' demo by Bonzai (KAOS!), a sample player with all the amazing digi sounds used in 'Turbo Outrun', 'Hot Rod' and 'BMX Kidz'. Disk also includes a lengthy music sample and a clever speech demo.
BZD123	*Imagination (Voice).*	'The Voice' are back with this quality release featuring a selection of excellent demos. Disk also includes 'Insanity' by Beyond Force and a neat 'Sinus Editor' with great music.
BZD124★	*'The Legacy'.*	Superb! That describes this demo from Flash Inc. It features many amazing parts which include 'Filled Raster Vectors' to name just one effect. Disk also includes a graphically amazing Logic demo, 'Mc Gottifant' (Cartoon anim) + more! Recommended.
BZU004★	*Utilities Disk 2.*	After many requests here it is! Another two disk-sides of handy utilities which include music editors, crunchers, graphic editors and a brilliant selection of utilities from Padua.
BZG001★	*PD Games Disk 1.*	Here is the disk I know a lot of you have been waiting for. Two disk-sides of fully playable PD games which include shoot 'em ups, puzzlers and even a 'break out' game! Check them out!

Double-Sided Disks

If you are confused by what exactly a 'Double-Sided' disk is then read on! You don't need a Double-Sided drive or anything like that, they are simply disks with data on BOTH SIDES! To access the data on the second disk-side all you do is turn the disk upside down, insert it into your drive and follow the normal loading procedure. If you order a 'Double-Sided' disk it means you are getting twice as much PD for only slightly more than the normal price. Double-Sided disks are marked throughout this catalogue with a '*' next to their catalogue number.

Blank Disks Now Available!

Binary Zone is now able to offer 10 blank 5.25" disks for only £5.50. (Postage and packing costs are included in that price). All disks come with sleeves, labels and write protects and all disks are 'notched' on both sides so they can be formatted for 'Double-Sided' use. Please make cheques or postal orders payable to 'Binary Zone PD'.

* BINARY ZONE PD AUDIO RANGE. *

As well as all these new PD releases, Binary Zone is proud to present the 'Audio Range' - I have produced two 90 minute music cassettes containing the best PD music from both the CBM 64 and Amiga which you can cram into your stereo! Here are the details:-

The C64 PD Music-Mix ... Featuring all the very best PD music at the moment from composers like 'Jeroen Tel' and 'Reyn Ouwehand'. Some tunes feature sampled sounds and three tunes have been recorded in 'Amiga-Style' STEREO featuring 4 or 6 Channel sound!

The AMIGA PD Music-Mix ... Now's your chance to hear the Amiga at it's best with 90 minutes of stunning stereo music (Including brilliant remixes of some familiar C64 tunes!) recorded using the Amiga 'Sound Enhancer' for ultra-clear sound quality! - Splendid!

The tapes cost only £3.00 each if you supply the C90 or £4.00 if you want me to supply the tape ... Please remember that the duplications will only sound as good as the quality of the tape that you supply so I advise you NOT to send in poor quality tapes!
